## EDUCATION

---

### Rutgers University

*Bachelor of Arts in Computer Science*

New Brunswick, NJ

*Sep. 2023 – Present*

### Huaxia Edison Chinese School

*Chinese Proficiency Test Level 5*

Edison, NJ

*Sep. 2017 – June 2021*

## EXPERIENCE

---

### Nights and Weekends Season 5 Builder

*Buildspace*

June 2024 – August 2024

*Remote*

- Dedicated 10 hours per week over 6 weeks to develop a project that gamifies learning experiences, enhancing user engagement through interactive study games.
- Collaborated with a team to transform an initial idea into a functional application, focusing on integrating keywords and definitions into an engaging game format.
- Contributed to project development and presentation in preparation for demo day, showcasing the application's potential impact on learning.

### Office Assistant

*Rutgers University*

Sep. 2023 – May, 2024

*New Brunswick, NJ*

- Welcomed students and managed data entry for various requests, including lost keys, keycard replacements, and room change procedures.
- Collected and organized office supplies from storage areas and facilitated furniture rearrangement to support office operations.
- Answered phone calls and responded to email inquiries, providing administrative support to faculty, students, and staff.

## PROJECTS

---

### KnowJoy | 60 Hours | *HTML, CSS, JavaScript*

June 2024 – Present

- Created and deployed a cloud-hosted webpage on Render.
- Visualized GitHub data to show collaboration
- Implemented a “Contact Us” page with mailto links for direct communication.
